WEAGT c/o Washington Elementary School, 503 Vegas Drive, Eastlake, Ohio 44095

Nearly 90% of the funds raised at the auction, our only fundraiser each year, are directly impacting your gifted student, the gifted teachers & their classrooms! Funds raised at last year's auction have been used this year for an exciting program with the Fine Arts Association, technology purchases, competition fees, science lessons, additional field trip transportation for the students, classroom magazine subscriptions & other classroom supplies. Through your continued support of the auction we can continue to support our students and their teachers!

Thank you!
